### A New Beginning

It's a new beginning for all who awaken to the light and choose to ascend at this time.

This month has been extraordinary. It has been a long-awaited time in history and one we have prepared for equally as long. I know I am proud of the contribution I have made to this unfoldment. Clearing the cause of darkness has been my role. Now, we need to clear the effects. But I am getting ahead of myself. For now is the time for great jubilation.

For those of you who choose to ascend at this time, I await you with open arms, as does God, who asked to share his own message below with you this morning.

Wishing you a wonderful weekend and ascension,

Joy

### Let's Bring You Home

The time has come to bring you home. Where is home? Home is where the heart is. The heart is where you have access to me, your Creator. Home is being connected to me. It is not a physical place in the universe for I am in all that is.

Coming home to me is that you have returned to knowing I am within your very core and essence. Coming home is that you never again feel the need to go outside of yourself for answers. All the answers lie within. You access all there is by knowing me. For do I not know all?

You have searched outside yourself for so long you have forgotten that within your very essence is access to all there is - all knowing and access to all opportunity.

The search to discover the self - the true self - on this planet is coming to an end. For discovering who you are in connection to me is all you ever need know. That alone will take all the mystery out of life.

Those of you who continue to question who I am and who I am to you, will continue to ponder that mystery, looking outside of yourselves for answers.

Know this. I am here for you when ready to look within. I have never moved. You have. You can continue to wonder and wander looking outside of yourselves for the answers that lie within. But remember this: no one will ever love you more or give you more or know more than I - the I within.

As you have likely heard before - seek ye first the kingdom of heaven and all else shall be added. That kingdom, that heaven, and I, lie within you to access through your heart. Go there. Seek me there. Seek your answers there. For there I lie in wait for you when you ready.

Ready for what? you may ask. Are you ready for peace, love, joy, acceptance, forgiveness and abundance? Choose me and that is what you receive and achieve. Seek your answers elsewhere, and you find barrenness, loneliness, and struggle while you continue to seek the solutions outside of yourself that are only a breath away. The choice is always yours.

I will forewarn you, however, that the differences in those two realities will become much more noticeable in the coming months and years.

Choose me and you will soar. Choose to remain separate and that separateness will become an even more noticeable struggle. But, I will not take away my gift to you of free will. That will remain with you as long as you remain on this planet. Your opportunity to align with me to access all there is, however, will be your choice. Go it alone or align with me. The blessings are yours for the asking. It is your choice; always your choice.
