Joyful News - 5/12/17

Today marks the anniversary of my creation. Archangel Michael came through a colleague May 12, 2011 with a cupcake and one candle on it announcing that this day was the anniversary of my creation. I won't tell you the year but trust me when I say that I really look great for my actual cosmic age. I have now added this day on as a day to celebrate besides my actual birthday this lifetime. We aren't taught about those days. We only get the opportunity to understand our biological birth this lifetime.

I am reminded that there is so little we are really taught in the big scheme of things. The more knowledge I gain from this work and the insider information shared from above, the more I realize how little we really do know. I love learning though and always intrigued to learn all that I can. I also am eager to share what I am shown but I am often stopped because Heaven tells me that people aren't ready for the whole truth yet. It's a bit frustrating. But, I'm still grateful to learn every nuance they share with me.

Some news isn't always eagerly received but this certainly explained why there are still so many challenges from darkness. Fortunately, I will share below that and its happy ending.

Wishing you a wonderful weekend.

Blessings,

Joy

Big Win for the Light

About a month ago I was told that The Commander and Chief of Darkness existed. I realized I never stopped to ask if there was anyone else beside The Prince of Darkness, Satan and Lucifer that was a major player in the dark leadership that needed to be addressed and cleared.

The above three were already addressed, as has been previously reported here and in my [blog](#).

But, this culprit of the world's major undoing was still at large. The good news is that he and his command center had a surprise attack yesterday and he and thousands of his followers were returned to the light for reprocessing.

Mother Mary

Mother Mary gave such a touching message to all the callers Saturday. When she shared from a mother's perspective of what it was like to raise Jesus, it made me cry. She really had some great advice to parents.

She was also a great help in the beginning of the week when sharing some insider information to help me clear some significant darkness this week. I want to thank her

publicly for her love and support.

****Mark your calendars for June 3 for our next call.**
