### Christ Consciousness

At the beginning of the year, God's recommendation was to teach surrender. It's definitely not easy to do fully as my clients, colleagues and I have experienced. I must say, however, that at those times I have been successful at a complete surrender, magic happens.

One experience I thought I would share occurred on my birthday. Each day should be surrendered to God, but on this day I went before the throne of God and on my knees placed the point of my sword down before the throne. In that moment, I shot up to great heights where I met the angels who sang to me. It was delightful. But, the biggest gift came when Jesus appeared holding a gold box and within that box was a gold ring.

Years ago I received in the mail, from an unidentified sender, a gold band with the name Jesus engraved on it and was told it represented the christ consciousness.

This one represented the same. I was so touched. It reminded me of when priests and nuns married Jesus within the church.

I sometimes put on the real ring, but this one is now on permanently.

When I shared something about carrying the christ consciousness, I was surprised the reaction from some as if it was blasphemy. I continue to question why people would question why someone carries the christ consciousness. My question is, why not everyone? Especially the Christians or followers of Jesus. He was a master and wonderful teacher who carried the christ consciousness and taught others with great example. I would assume all followers by now would be carrying it as well.

It is a way of reaching Heaven on Earth as well. Christ consciousness and purity of heart go pretty much hand in hand. If anyone would want a life of ease, it is certainly the state to achieve.

Wishing you a wonderful weekend.

Blessings,  
Joy

### Reignite the Light

This weekend I'm looking forward to delivering some significant gifts from Heaven. In our "Reignite the Light" Workshop listed below, I have the opportunity to gift people the white fire from the throne of God, which is unique to this period on Earth. It is a privilege to serve as a conduit that will help make life easier for those who receive it.

All gifts from God are special. Everyone came in with specific gifts for this lifetime but these given in the workshop will be gifts on how to make life easier.

The information included will bring everyone up to speed on the history of the world and how humanity has been cleared of the cause of their karma and then be set free from the effects of some of it.

This is a great opportunity to help move forward to experience Heaven on Earth and those who are in New Jersey, a great opportunity for me to see you in person.

All details for the event are listed in the link below. This will be my signature program that I will look forward to delivering again so if you aren't in New Jersey for this one, hopefully we can book one in your area soon.
