God on Prayer and How to Simplify Your Life

I think this week's message is the most important I have ever delivered. God came through recently sharing his perspective on prayer and how to simplify your life. It is obvious we are the ones who have complicated our own life and world.

I highly recommend taking the time to read the blog for the full-length article. If you have questions about life or struggle with anything, I think it will be useful to you.

God has been misunderstood and maligned. He couldn't be more clear as to who he is to you and how to connect to him.

I wish I had this outlined to me early on. It would have made my life so much easier.

I hope it helps. Let me know what you think.

If you haven't already, join our group, Help From Heaven, through the bottom link to the right. I don't post everyday, but you can ask questions their daily.

Case Study - Money Issues

During a session this week, the lifetime of King Solomon came up. The gentleman who is my client happened to be part of his team that lifetime. We never know where our financial karma may come from and in his case this was a lifetime, there was a team of people connected with Solomon's finances. We ended up clearing all involved. You never know what impact choices can have on your future or on others.

When we clear a lifetime, we are releasing all involved. All benefit including the descendants from that lifetime and all future incarnations of that individual. Because King Solomon was included, he received benefit as well as his descendants and all his future incarnations included who he is this lifetime, as he is living on the planet at this time.
