Greetings

I was questioning in my mind a reaction someone had to last week's newsletter. God came through with quite the message to me in response to those thoughts. His message was profound with parts I thought repeating for you that I thought useful to share knowing I was going to be writing this newsletter. Instead, he preferred dictating the following message to me for you.

Have a blessed day,
Joy

God's Invitation to You

My Dear Children of My Creation:

Yes, I am taking ownership of you today. I want you to remember who you are and who you are to me.

It has troubled me that so many of you question my existence or my ability to connect and speak through people such as Joy. She is an emissary of mine here in service to you. You have been troubled far too long. You have waited a long time for answers from me. I am here to give them to you. Using vehicles such as Joy is helpful to me because many of you do not hear me. It is not that you don't necessarily want to hear me but you often do not know how.

I can assure you that it is not for lack of my trying to connect and communicate with you. I speak to you in countless ways that you do not recognize because your training says otherwise. I can assure you that I have not taught you to look away from me. You seek your answers in those who you believe to know better. The very people you often seek answers from often have no better connection to me than you do. Isn't it time to look toward me instead of away from me? My presence abounds this planet and yet you do not see me.

It is time to get to know me - the real me rather than the imagined me. I am not some far-off stranger in the stars elusive to all that exist here. I am within every breath.

I am yours to be reckoned with directly. You do not need another person to get to me or to get to know me. You access me through your own heart. Seek me there. Get to know what I have to say and share with you. I am actually quite interesting once you get to know me. You would be amazed at the places that I could take you. What I have to give you far outweighs your imagination. And, the love you seek in the arms of another pales in comparison to the love I feel for you.

I can assure you that there is nothing and no one on this planet that can give you what I can or that loves you the way I do and yet you seek to fulfill your desires elsewhere rather than through me.
