Happy New Year!

Dear Friends,

As the new year approaches, a new beginning opens. Treasure the past that brought you here. Forgive the challenges and others, as well as yourself, to set yourself free from the past so you can elevate the experience of 2018.

You are blessed. Find peace within to save the world as well as elevate yours and the experience for all. Decide on the elements you wish to have incorporated into the year ahead. Your life has meaning and you can bring meaning to your world.

You are more powerful than you would ever imagine. You can change the world, you can establish peace, and you can create more abundance.

May you have a happy, healthy, abundant and peaceful new year!

Blessings,

Joy
