## Joyful News - October 24, 2018

As mentioned last week when discussing the inner child, I would address the high self this week. This is the part of you that lives in Heaven that chose to be born this lifetime. They chose what you would work on and achieve, karma to address, your parents, etc. They are your reason for being. They had assistance in making those decisions, but if it weren't for them, you wouldn't have been created. God, of course, had to agree and support the choices.

So, I wanted to focus this week on your high self to make sure you understood he or she better. I created a blog post to focus on the integration of your high self. Do you know if yours integrated or even why that is beneficial?

To read that post, go to [this link](#).

Wishing you a blessed and joyous day.

Much love,

Joy
