Joyful News - 8/23/17

Because of numerous events negatively affecting humanity and their state of mind because of or in relationship to news, I inquired to God for his perspective. As I have a gift of clearing problems globally on a causal level, I also asked if I am to do something about them.

Over the winter, I worked on issues in our government as well as cleared substantial darkness negatively affecting humanity. I do that at a great sacrifice to myself. It costs me an enormous amount of time and money and takes a toll on my energy and health. God had already dictated that I wasn't to sacrifice myself for humanity any longer. I am happy to do the above clearing if someone or people wanted to pay for it. God also set in motion a group clearing call we do on the first Saturday of month where we not only address your issues but global ones affecting all. That is listed below.

God responded to me personally on my question addressing current affairs and I posted a blog with that message from him, which you can read [here](#).

As you will see, the problem seems to lie in the hands of humanity to change. Below is the one option available now for you to contribute and benefit by clearing the cause for yourself as well as the world.

If anyone wants to have me do more, I'm open to working with you or accepting suggestions how the world would like to contribute to more darkness being cleared by me personally.

We have already extinguished [Satan](#), helped [Lucifer](#) turn to the light and we have also eliminated central command and removed the commander and chief of darkness, cleared the cause of the karma negatively affecting humanity as a whole. Lucifer's right hand is within our government and needs to be cleared as well as the entire government. I've done my job and now it is up to the rest to help contribute to turning around current events by their own efforts to create peace within, or enroll my help.

This is what the time of [tribulation](#) is about. Personal choice is key here. If you want to see positive change in the world, it is your opportunity to make a difference. In the interim, I will do as guided by God. But, I also suggest all be guided by God as the challenges you will witness and experience will become worse until enough people wake up to the affects of the choices of choosing fear over love, separation over oneness.

In the interim...

Wishing you a wonderful weekend.

Blessings,

Joy

### New Jersey Trip

I am traveling to New Jersey 8/24 returning to Florida 9/11. As mentioned above and

in previous newsletters, this journey has been one of recovery over the toll clearing darkness has taken. I have enjoyed precious time with friends and family, traveling and experiencing divine flow as divinely led. I hope to see as many of you as possible. I may not do a formal presentation as I have the group event below scheduled for a week from Saturday. If I do something separate from this, I will alert you via separate newsletter. There is a plan to return to New Jersey in November so that may be a better time to schedule events. If something comes together effortlessly as I plan the remaining leg of this long journey which began June 14, I will let you know. I remain open to suggestions.
