**Quick Update**

**Queen Elizabeth 1**

Every once in awhile a client session becomes quite extraordinary as did one this week. Queen Elizabeth 1 appeared before me wanting to be set free. She had a past relationship with the client's family member and wanted to be forgiven for putting him to death that lifetime and work on the rest of the monarchy.

I channeled all the information necessary to set free the monarchy, and the Church of England as guided. Ultimately Mother Mary came through as did God with his closing remarks. Apparently there was worldwide implications due to their reach and due to reincarnation, which made everyone have a connection in one way or another to England throughout history. Apparently you and the world economy benefited from this.

All has now been set free. The nuances covered were fascinating. I only have about half on audio because it occurred to me midway when I realized the significance of the event and should record it. I would have shared the audio here if I could have converted it. I was unsure if I wanted to share with some of the sensitive information shared regarding the monarchy but because it impacted all, thought useful.

God's message at end explained judgment day and what would be happening to those now set free but were more dark in nature. I found their being reprocessed interesting. So, hopefully, I can share it at some point.

**Jesus**

Another special event this week was when I was thinking about coming out with more information publicly about Heaven on Earth as it relates to where I live. Some seem to be offended by working with Archangel Michael. Their allegiance to Jesus somehow makes them feel what I am doing is an affront to Jesus. We all have the same boss.

Jesus has always been one of my biggest supporters. And, again he showed up with his support when trying to determine positioning in regard to him. I am not in competition with Jesus. We have different roles.

Jesus decided to explain to people about the difference and ask them for their support as it isn't easy to come out and be judged by the very people you are trying to help. He mentioned that those skeptical of me would have been the same that were skeptical of him at the time and how much their reaction hurt his heart. He eluded to the way in which people treated him in general was at times just as bad as the actual crucifixion, which I found sad. This will be another message I will relay because he felt it purposeful for him to communicate it. And, for his support, I am always eternally grateful.

**Heaven on Earth**

This coming week is holy week and always brings back memories of holy week 2013. We cleared the causal level of martyrdom, oppression, serpent energy, stories of Adam, Eve and the apple, Abraham and Isaac and the attempted sacrifice of Isaac, amongst other things as divinely orchestrated that week.

That week we were given a new tree of life and had a ceremony that once complete, opened up the first official day of heaven on earth.

It was one of the most extraordinary weeks of my life and one for the history books.

This coming week at our Holistic Chamber of Commerce of Lakeland meetings, I am

going to present on Heaven on Earth and why this area will become a hub where we can expand and further open up the possibilities of Heaven on Earth so people will begin to experienced the true blessings of it.

So, all to be continued. In the interim...
