Joyful News - 1013/17

At the beginning of the year, I asked God what he would like me to focus on this year. He said to teach people how to surrender. That seems to be the biggest challenge for people and something that offers the biggest benefit.

When you are completely surrendered to God, he has the opportunity to work through you to create the life you were meant to live and achieve what you came here to accomplish. Life is simpler, easier and more rewarding when in alignment with God, the source of all.

When I work with my private clients, I can determine the percentage someone is surrendered and then look at their connections to God to ascertain the challenges. I'm usually shown a frayed cord alerting me to the state of the connection and as I clear the issues revealed, I see the cord becoming more healed.

What are some of the blocks to surrender?

Feeling it is giving up, giving up control and a loss of sorts.
Guilt over subconscious memories of when turned away from God.
Fear of being judged by God, being sent to hell, etc. - all from subconscious memories of the past including other lifetimes.
Fear of God due to previous religious teachings from this lifetime and others.
Judgment, expectations and blame of God. Many have blamed God for the challenges on Earth when not realizing the true dynamics involved. Then feeling guilty and blocking receiving from God.

The lack of pure connection to source is a big block to both receiving and surrender.

Jesus said, "You can't have an intimate relationship with someone you fear." That includes an intimate relationship with God if you fear him, which will block receiving from him.

The majority of problems that exist in the world is a problem with the relationship with God and not with people, places and things. Clear up the connection to God, and all else works itself out much more easily.

If you have challenges receiving, issues with God, or blocks to surrender, reach out to me for a no-obligation conversation and see if we are a fit to work together. I am here to serve you to help you have a life of joy, love, peace, balance and abundance.

Wishing you a wonderful weekend!

Blessings,

Joy
